Ok thanks – the event will be in Riverside Park North, by the bocce court, in Lyndhurst – will get you precise directions this week.

Unfortunately, it's our policy not to quote elected officials in our press releases (except in rare circumstances) – sorry!

Chris,

The Senator is not available – but I will attend on his behalf. I will need an address. Also, if you are going to put out a release, maybe we can get you a quote beforehand.

Regards,

Carolyn

Hi Carolyn – just wondering whether the Senator was planning to participate at next Wednesday's event – thanks.

Hi -- we are now looking at Wednesday, August 7th, at 11:00.

Will confirm that with you when I can, possibly later today, but it's looking good.

Actually, this works out for us because the Senator had a conflict in his schedule for July 8th. I tried to communicate that yesterday but you were out and I never got a call back from Berry.

Hi Carolyn – unfortunately, we’ll have to postpone this event – turns out there’s a bridge on the Passaic that won’t open (due to Sandy damage) and though repairs are imminent, the dredging equipment can’t be moved upriver in time for an event on 7/8 – we are now looking at the weeks of 7/22 and 7/29 – will advise soonest – thanks.
